

## Why Invest in a Hess Preventative Maintenance Plan?

You've just invested a good chunk of change in some premium equipment that is mission-critical to your operation. Don't you want to do everything you can to extend its life cycle?

After all, when your equipment is up and running, so are you. And when it's not...well, that means lost time and revenue. It means loss of confidence for your customers. It means a hit to your reputation—and a hit to your bottom line.

Hess offers a comprehensive **Preventative Maintenance Plan** for each product category we sell. Our plans don't just keep your equipment clean and running efficiently, they also offer you insider deals on parts, products, and repairs.

### Invest in a Hess Preventative Maintenance Plan and:

Save on labor

Increase life cycle of equipment

Improve sanitation and safety

Improve daily efficiency of equipment

Minimize downtime

Lower your total maintenance costs (by up to 25%)!

Learn more about equipment essentials—like proper cleaning and lubrication

Receive 10% savings on all parts/supplies for the machine covered under the plan

Receive a comprehensive report about the health of your equipment after a Preventative Maintenance Plan visit

Find out more about what a **Preventative Maintenance Plan** on your piece of equipment includes and sign up today. Contact Hess to get started: **314-351-1751**
