

# HESS MEAT MACHINES

Equipment. Service. Supplies. Solutions.

## Hess knows all about building strong business relationships

Trust, communication, and common understanding — these are just a few things business relationships need to thrive in the food industry. The relationships your business builds with vendors and retailers are essential. How do you ensure they last?

During our nearly eight decades in the industry, we have curated lasting relationships with many partners.

For more details on how we build steady, long-term relationships, [check out our latest blog](#) on the secrets of true partnership.

If you're in need of a reliable partner, Hess is here for you. For information on our products and services, [reach out](#) to us to get started.

Best,

**Rachel Herren**

President, Hess Meat Machines

## WBENC Announcement

Hess Meat Machines is

**HESS** MEAT  
MACHINES

We're proud to announce that Hess Meat Machines has been certified as a Women's Business Enterprise by the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of businesses owned and operated by women.

When this business was started in 1946, woman-owned and led equipment businesses were few and far between. Now, we're excited to help pave the way for women in not just equipment businesses but all across the country!

## Service & Financing

Hess Meat Machines is devoted to your success. That's why we offer delivery and installation services, training programs, 24/7 on-call emergency maintenance, a fully stocked parts department, and factory trained expert technicians to ensure your equipment runs in tip-top shape. Concerned about pricing? We offer a tiered pricing structure, so you only pay for what you need. Rest easy knowing that you're getting high-quality service for a low price.
